In another file it has been suggested that the local celebrations should consist of special worship in temples + mosques, sports to school children, the holding of a Durbar & the reading of the proclamation, illumination of public buildings + feeding the poor etc.

Any other event such as a fête in the Cribbon Park etc should be mainly arranged for from public subscriptions. The Association may be told that in all likelihood the Dy Commr will be in charge of the local celebrations in the City + that they might if necessary communicate with him.
